

State Licensure/Certification Disclosure for Registered Dietitian

Integrated Master of Science in Nutrition and Dietetics (IMSND) Program

Meets Requirements: The requirements of the IMSND Program meet certification/licensure requirements in the following states: AL, AK, AR, CT, DE, District of Columbia FL, GA, Guam, HI, ID, IL, IN, IA, KS, KY, LA, ME, MD, MA MI, MN, MS, MO, MT, NE, NV, NH, NJ, NM, NY, NC, ND, OH, OK, OR, PA, Puerto Rico, RI, SC, SD, TN, TX, UT, VT, WA, WV, WI, WY

States and Territories where Registered Dietitian licensure is not recognized: AZ, CA, CO, American Samoa, Federated States of Micronesia, Northern Mariana Islands, Republic of Palau, Republic of Marshall Islands, U.S. Virgin Islands, VA

While state interpretations of statutes may vary, it is ACEND's considered opinion that the program meets the educational requirements for dietetics licensure and certification in all states. However, completing an ACEND-accredited academic program alone does not qualify an individual for licensure or certification as a dietitian in any state. Individuals should review their state's licensing statutes and regulations to understand the specific requirements, including supervised practice and examinations, needed to obtain a dietetics license. More information about state licensure and certification can be found at this link: [Commission on Dietetic Registration \(cdrnet.org\)](http://cdrnet.org)
