

WAUKESHA
COUNTY TECHNICAL
COLLEGE

A.A.S. Business Management > B.A. Business Administration

The Business Administration Major prepares students for managerial positions and graduate studies by developing skills in effective communication, logical problem solving, and responsible decision-making. Balancing rigorous coursework in finance, business operations and marketing, students can create a personal path for professional success in many areas of business. Students learn to understand the relationships between individuals, culture and society while recognizing how the issues of social justice affects the human experience in business settings.

Agreement Description: The purpose of this degree completion agreement is to provide a seamless transfer process for learners at Waukesha County Technical College to enter Mount Mary University for further education and credentials.
