Apr 1981

Two young women are standing at a counter, talking. One woman is wearing a blue patterned top and glasses, and the other is wearing a yellow floral top and a black hijab.

Other people are working at the counter in the background.

10

10

10

1. Write a sentence about a problem that you have always had to solve. Describe your solution. How do you know your solution is the best one? What are some other solutions that you could use to solve the problem?

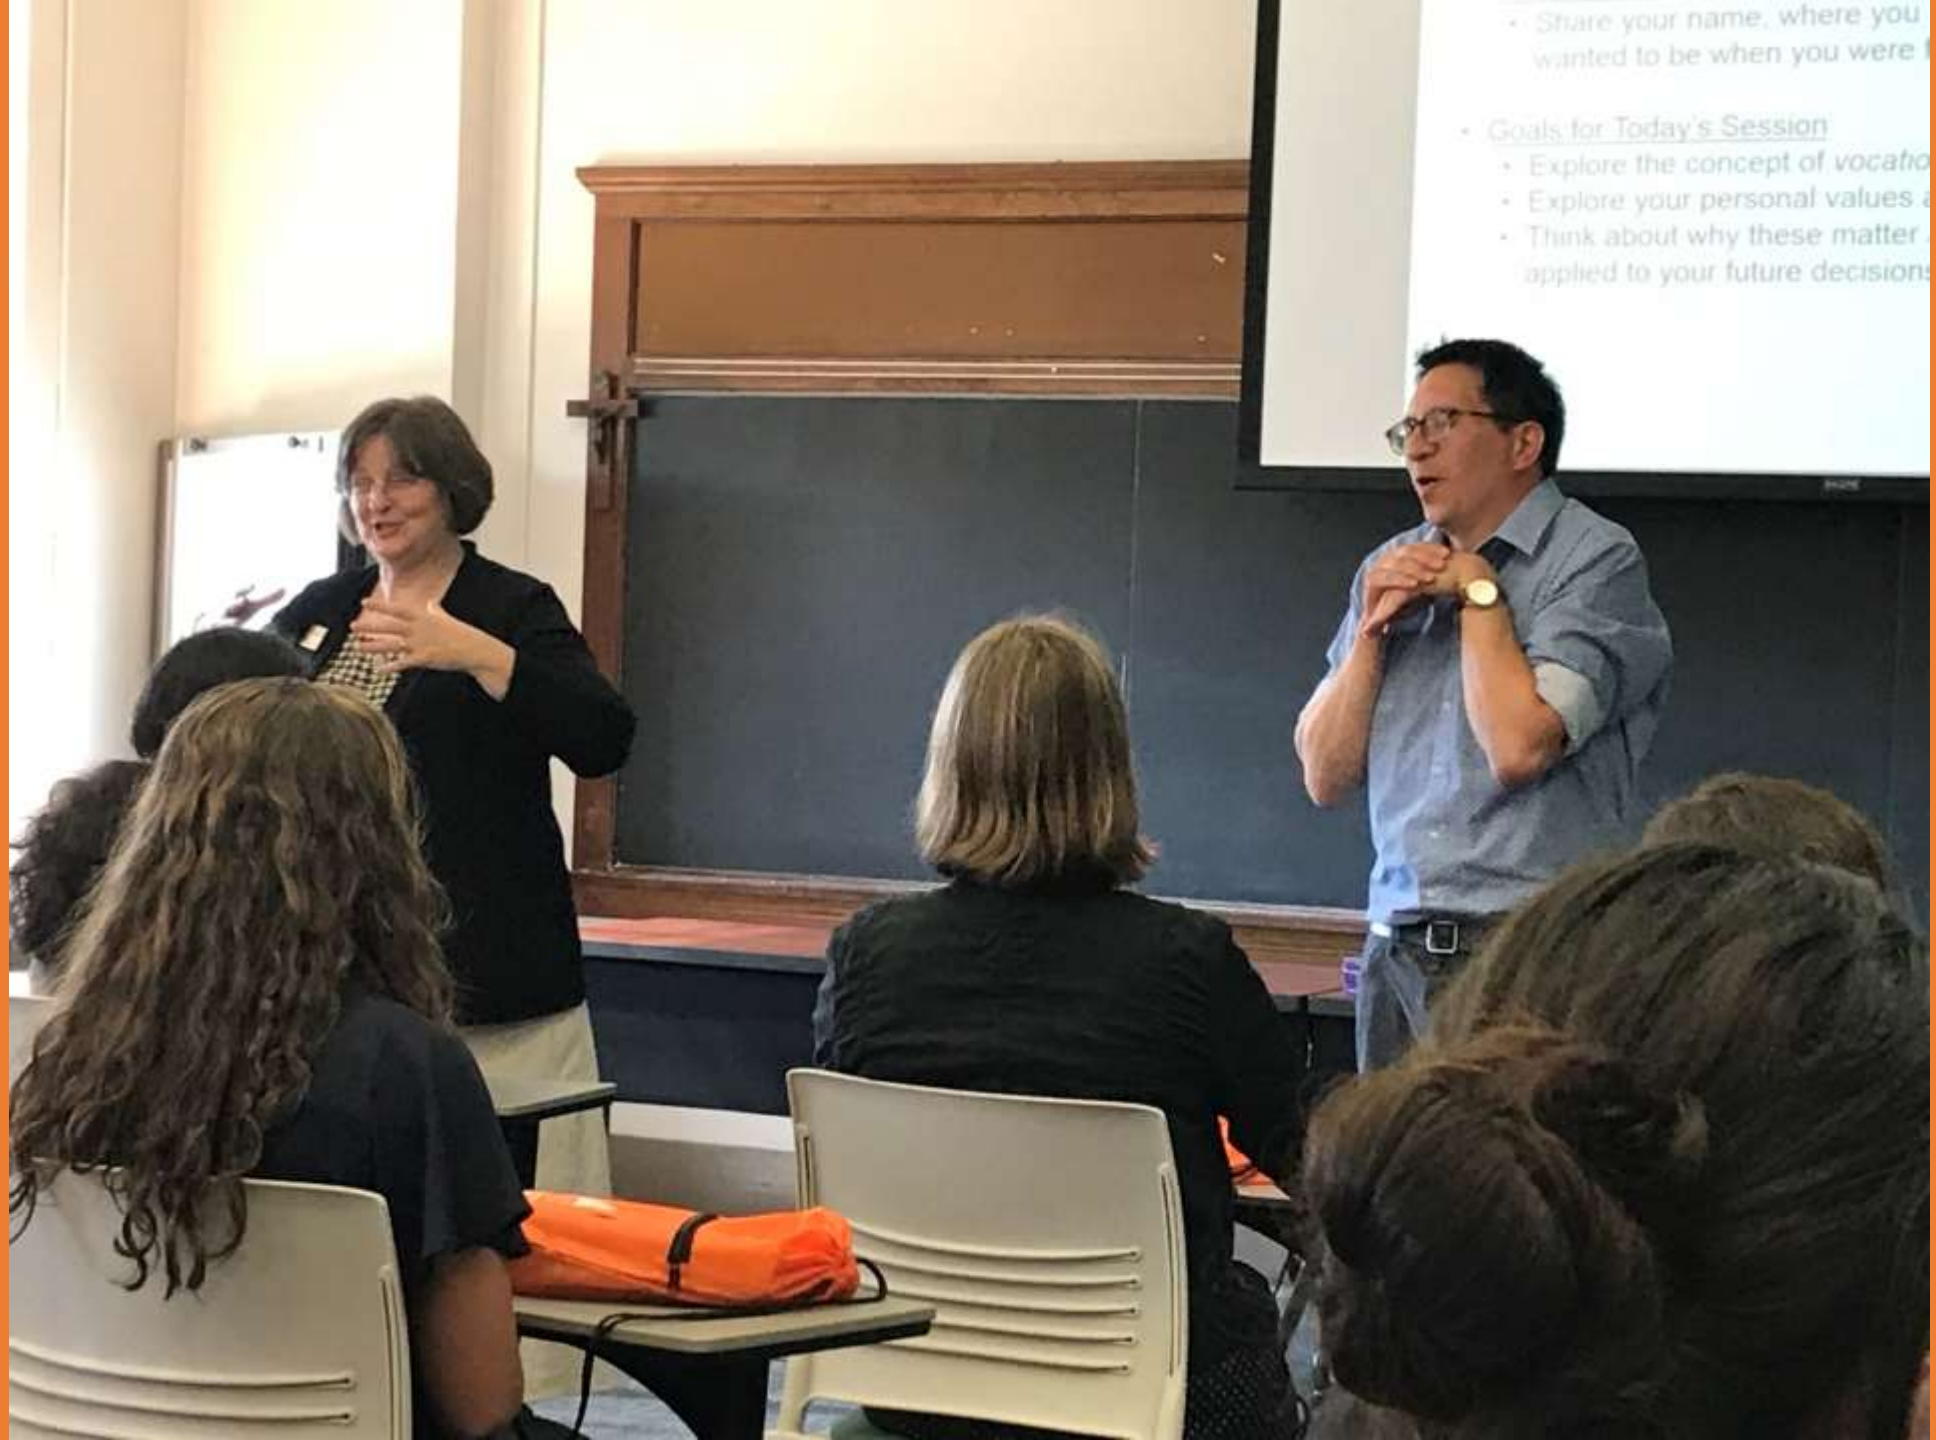

2. Write a sentence about a problem that you have always had to solve. Describe your solution. How do you know your solution is the best one? What are some other solutions that you could use to solve the problem?

3. Write a sentence about a problem that you have always had to solve. Describe your solution. How do you know your solution is the best one? What are some other solutions that you could use to solve the problem?

Grow

- Share your name, where you wanted to be when you were 1
- Goals for Today's Session
 - Explore the concept of vocation
 - Explore your personal values and
 - Think about why these matter, applied to your future decisions

Young Professionals

1 Get involved
2 Build relationships
3 Try new things
