November 6, 2025 | 7:30-10 a.m. | Mount Mary University

Dr. Krishna
DasGupta, M.D.

Dr. Xochitl Yadira
Gonzalez, Ph.D.

Social connection, the glue that holds society together, is also a fundamental human need, as essential to individual survival as food, water, and shelter. According to the Surgeon General, levels of isolation and loneliness in our country have achieved epidemic proportions and are linked to everything from premature death to anxiety, and our youth are particularly vulnerable. How do we protect people from loneliness and increase social connectivity? Join **Dr. Krishna DasGupta, M.D.**, a dedicated Milwaukee-area psychiatrist for over 30 years, and **Dr. Xochitl Yadira Gonzalez, Ph.D.**, Senior Director, Business Ops, Strategy & Planning for Northwestern Mutual and the founder and podcast host of "Trascendencia en Acción," as they explore powerful psychological and spiritual strategies for building stronger connections and fighting isolation.

WHAT: Mount Mary University's **Voices of Leadership** inspires business leaders, community members and alumni through conversation and connection with women leaders. The event also enhances the Mount Mary student experience through student projects aligned with themes from the keynote address.

WHEN: **Thursday, November 6, 2025 • 7:30-10 a.m.**
Mount Mary University • Alumnae Dining Hall, Bergstrom Hall
2900 North Menomonee River Parkway, Milwaukee, WI 53222

WHY: A 2023 Pew Research Center report showed just 10.6% of CEOs at Fortune 500 companies were women. YOUR IMPACT: Your support provides vital experiential learning and networking opportunities aimed at developing women leaders in our community. It also ensures this event and its educational components continue to be accessible to Mount Mary students as we continue to inspire the next generation of women leaders. One hundred percent of the proceeds from our 2025 Voices of Leadership event will benefit the Mount Mary General Scholarship Fund.
