Venture to Costa Rica

- Explore the AMAZING biodiversity as part of a short-term, faculty-led study abroad program
- Discover the 'Switzerland' of Central America, a country which disbanded its army in 1949. Covering just 0.03% of the globe's surface, Costa Rica is home to 6% of the world's biodiversity and has devoted nearly 26% of its land to conservation and national parks
- Explore a variety of exotic locales, including Ballenas National Park, the Monte Verde Cloud Forest, San Jose, and much more!
