

Twigs

Part-Time Sales Associate

About Twigs

Twigs is a rapidly growing, independently owned women's boutique, with locations in Madison & Brookfield. We curate an edited collection of the best denim, apparel, handbags and jewelry out there, calibrated for our everyday lives. The brands you love, you'll find at Twigs.

Twigs offers a unique retail experience for anyone looking to gain insight into many facets of the industry. As a part-time sales associate you will gain firsthand knowledge of product management/life cycles, visual merchandising, store planning, and styling.

Role Responsibilities

Embrace a true connection with every guest. Effortlessly connecting with guests to build long-lasting, meaningful relationships is at the core of Twigs values.

- Earn customer trust by delivering unparalleled service and honest advice.
- Make product suggestions based on customer needs, fit, & knowledge of inventory.
- Uphold Twigs policies while maintaining positive guest relationships.

Have a passion for trends, designers, & specialty products. Knowing the product, fit, brand history, and how to balance trends with classic pieces enhances customer experience and sales.

- Know designer's or product's back story and be prepared to discuss with customers to demonstrate the value of each piece.
- Inspire customers through your personal styling for each shift. We encourage a balance trends & individual style while still reflecting the Twigs brand.

Contribute to a collaborative & productive team-oriented environment. Supporting teammates while taking initiative to tackle daily tasks crucial to the overall operation of the store.

- Bring a positive & encouraging attitude to each shift.
- Be self-motivated and take initiative to be productive during low traffic.
- Maintain a visually enticing store that is neat, clean, & organized for customers at all times.

All staff members enjoy competitive pay, an employee discount and monthly sales bonus potential based on a shared, team goal.
